Dear Team,

Since all of us have not been to every meeting, I want to make sure that you know that neither TEAMWORKS or we are giving these to anyone. Please delete from your email and files.

Thank you,

Susan

Team:

We've had several citizens ask us what the other 5 options were that TEAMWORKS referenced in its proposal that is now posted on the Web. When [REDACTED] what those were, this is what [REDACTED] sent. Is there any reason that we should NOT pass these on to those who have asked?
